**ANY OTHER ITEMS:**

1. Shri Parag Meshram, HOD(ID) informed that Prof.Dr.Vinod Gupta, former faculty at Department of Architecture and Visiting Professor at ID Department has requested for institution of an award for ergonomic furniture design. On this, institution of an award was approved, in principle, and Shri Meshram was asked to place the matter before the next Senate with details.
2. HOD(ARCH.) mentioned that the Ph.D Rules need amendment as the candidates are required to have 70% marks in B.Arch (with only Bachelor's) for admission to Ph.D programme whereas in other departments, it is 55% or 60% marks (with Master's). 70% marks is on higher side and the Department has to refuse admissions. On this, Director-Chairperson advised to forward an item for next Senate with proposed amendments and existing rules and comparative statement with other SPAs so that the same could be discussed at length as amendments to Ph.D Ordinance approved by earlier Senate could be discussed at the next Senate.
3. Faculty raised the issue regarding Leave Rules i.e. the CCS Leave Rules, 1972 as even for attending conferences, juries, lectures etc. they have to apply for casual leave/EL etc., which is discouraging them to undertake academic activities outside School.

On this Director-Chairman apprised them that the matter was placed before the last BOG held on 20<sup>th</sup> February, 2019 wherein the report of the committee to frame new rules for faculty was placed before Board. He advised to revisit the report submitted by the Committee so that statutes could be amended suitably in this regard. The revised report shall be placed before the next BOG and matter shall be informed accordingly to the Senate.

4. Some of the Faculty raised the issue of revision of RRs of faculty. The Director-Chairman, Senate stated that since the Faculty have already given their observations in writing to the MHRD in response to its request for comments, the matter is now with MHRD to take a final view.
